H. S. P. T. A. to Hold Book Week Program, Tea

Public Is Invited to Attend Observance on Nov. 14

The Antioch Township High School Parent-Teachers' association is extending a general invitation to residents of Antioch and the surrounding territory to attend a special program and tea Thursday afternoon, Nov. 14, at 2:30 o'clock in the high school auditorium in honor of National Book and American Education Week. Librarians from the various public and high school libraries in Lake county are also being invited to attend this event.

Colorful Book Week posters will be displayed in various public places during the week, Nov. 10 to 16. The township library will have a special exhibit in the window of Williams Department store centering around the theme of Book Week, "Good Books, Good Friends." At the high school there will also be numerous displays, one of the most outstanding being a collection of old and unusual books. George A. Ergang, of the Antioch high school staff, is supplying the majority of books for this exhibit.

During the week a contest is to be held among the high school students. Contestants will be required to name the books and authors represented by sixty or seventy different pictures. The pictures will represent either the title of the book, the main character as in biography, or a main incident from the story. Winners will be selected on the basis of greatest number of correct answers. The prizes for the contest are being donated by the high school P. T. A. They include the following: "My Ten Years in the Studios" by George Arliss, "Sue Barton, Superintendent of Nurses," by Helen Dore Boylston, an autographed copy of "Pageant of Adventure" by Lowell Thomas, "Wings on My Feet," by Sonja Henie, "Captain Caution" by Kenneth Roberts, and "Wings over West Point," by R. G. Emery.

Book Tableaux
The first part of the program Thursday will consist of a one act play (continued on page 8)

"Rainbow Girls" Will Hold Open Installation Saturday Evening

An installation ceremony which will be open to the public will be held for the "Rainbow Girls," a group being organized under the auspices of the Antioch Eastern Star and Masonic lodge, Saturday evening in Antioch High school gymnasium.

The installation will be preceded with a supper in honor of the girls. Attendance at the supper will also be open to the public at a charge of 50 cents per plate. Proceeds are to be turned over to the Rainbow Girls' treasury.

Girls joining the group, which is for the ages 13-20, must be sponsored by a member of the Eastern Star order or the Masons. Girls interested in joining may notify Mrs. C. E. Hennings, telephone 94.

In the afternoon at 4 o'clock Covenant Assembly of Oak Park will institute and initiate candidates into the Order of Rainbow for Girls. Masons and Eastern Star members are invited to attend.

"If I Had a Million" to Be Rotnour Offering Monday

Excellent crowds continue at the so-called school gym every Monday for the J. B. Rotnour Players. Money for next Monday evening will mean "If I Had a Million," a fresh watermelon, and it will be its first time to get in the mid-west.

The play is comedy with a touch of tragedy and dramatic situations. J. B. Rotnour announces that the entire cast of ten people will appear, with added help by Jimmy Parsons and his laughing sax, Bob Gentry, eccentric comedian and dancer, Bob Bailey and Miss Powell.

The Lake Villa merchants are sponsoring the company and it is only through their friendly co-operation that you may see this recognized cast of popular players.

"Ask any merchant or business firm or merchant free tickets," advises Mr. Rotnour, assuring patrons of the best comedy offered in years and one that is erent. "Go early and take the big family, and go prepared to laugh the 'If I Had a Million.' It's tops, urea open at 7:30, the fun starts at

Former War Correspondent Will Give Talk

Jock Morrow to Tell of Experiences in Orient Sunday Evening

Jock Morrow, former war correspondent, will be the speaker at an Armistice program to be sponsored by the Antioch American Legion and the high school P. T. A. Sunday night in the high school auditorium.

Morrow spent 18 years in China, Japan and Siberia as correspondent for various publications. He will tell some of his experiences.

The Sons of Legion drum and bugle corps will take part in the program and there will also be vocal selections.

The high school band will play. No admission charge will be made for the program, which will start at 8 o'clock. All who are interested are being invited to attend.

Health Program for Grade Children Outlined

Find 74 of 150 Children Have "Perfect Teeth" in Dental Survey

Seventy-four of 160 children given dental examinations at Antioch Grade school as part of the school's "Health Program" had teeth that were in perfect condition, it was announced by Drs. E. J. Lutterman and L. J. Zimmerman, examining dentists, following a recent survey.

Dr. R. D. Williams, Antioch health officer, is to be in charge of the medical examinations and inoculations.

These include Schick tests to be given Nov. 13 for all children inoculated at the school last fall and other children who have been inoculated and have never received the Schick test for a check-up.

On Nov. 25 inoculations for diphtheria will be given.

Smallpox vaccinations, not only for children who have never received them before, but also for any other children whose parents desire them, will be given Nov. 18.

Complete physical check-ups for the fourth grade students will be held Nov. 19. This is in line with the school's policy of having an examination each year for children about to enter school and for the fourth grade, so that each child has a complete check-up twice during his or her school career.

The health program is sponsored by the Parent-Teacher association, which also underwrites its costs.

Waukegan Moose Plan Mammoth Mat Show

An "all championship" card of wrestling is in store for Lake county sports enthusiasts who are expected to jam-pack to capacity the Waukegan High school gymnasium a week from Friday night to see a ringful of the nation's top-ranking bone benders in action.

It's all part of the mammoth sports program to be presented November 15 by Waukegan's Loyal Order of Moose lodge.

Featured in the main event of the evening is the tiny but mighty "Ruffy" Silverstein, considered by many to be the uncrowned king of all the heavyweights. Silverstein has appeared in Lake county a score of times since turning pro four years ago, but has yet to meet defeat. He is scheduled to go up against one of the most dangerous men in wrestling, Oki Shikina, champion jiu-jitsu wrestler of Japan and the Hawaiian Islands.

A special event on the program will bring together the famous "Tarzan" White, all-American football genius from Alabama now playing with the Chicago Cardinals, and Jim McMillen, Lake county's favorite son, and also an ex All-American of no little fame. Like Shikina, White is making his Lake county debut, and is a former champion by virtue of his sensational win over Jim Londoos on the West coast a year ago. Two additional matches will complete the card.

Mr. and Mrs. Bob Hardman returned late Monday evening from Atlanta, Ga., where they were called a week earlier by the death of Mr. Hardman's father, J. R. Hardman, in an automobile accident. They were accompanied on their return by Miss Sarah Hardman of Atlanta, who is making a ten-day visit with her brother and sister-in-law.

Plan Armistice Program Sunday Night

Members of the Antioch American Legion post are shown above making plans for Armistice Day observances in Antioch. Left to right are Past Commander Clarence White; Commander J. Harry Messing; Junior Vice-commander W. S. Phillips; Adjutant and Past Commander John L. Horan; Past Commander James L. Waters.

Chicago Round Table Speakers Coming Here

Grade P. T. A. to Sponsor Outstanding Program Monday Night

What is expected to be one of the most outstanding programs yet sponsored by the Antioch Grade School P. T. A. is the presentation of the Chicago Round Table of Christians and Jews, Monday evening at 8 o'clock in the schoolhouse.

The program will be open to the public and will be the P. T. A.'s contribution to the Armistice Day observances of the community.

Speakers will be Leonard P. Aries, prominent young Chicago attorney and director of the high school course on "The American Way," James M. Yard, D. D., executive secretary of the Chicago Round Table of the National Conference of Christians and Jews, and Dr. John A. Meade, assistant director of the Illinois state department of labor.

Their subject will be, "The Price of Democracy Is Going Up." All of these men have taken part in innumerable programs for the Chicago Round Table, and their visit is expected to be a real treat for those who enjoy thoughtful discussions of problems of the day.

Mr. Aries is a graduate of the University of Chicago and holds his degree of Doctor of Jurisprudence from that same institution. He is a practicing attorney with offices at 1 N. La. (continued on page 8)

Public Service Co. Holds Blue Flame Celebration

Scheduled this year for the entire month of November, the fourth annual Blue Flame celebration is now on in Public Service stores, neighborhood gas appliance dealers and at master plumbers. An innovation in this year's Blue Flame activity is the "unfished jingle" contest with prizes of gas refrigerator, gas range and gas clothes dryer to the winners.

M. H. Schreiber, district superintendent of the Public Service Company, today announced special Blue Flame programs to be held Friday, November 15, at both the Catlow Theatre in Barrington and the Arlington Theatre in Arlington Heights.

"The purpose of this fourth annual Blue Flame exposition," said Mr. Schreiber, "is the same as in the past—to introduce 1941 gas ranges, refrigerators, ironers and water heaters to the people of Barrington, Arlington Heights, Mount Prospect, Antioch, Wauconda and Palatine. Inaugurated in 1937, the celebration has since become an event anticipated by home-makers.

"The cooking demonstrations arranged for the Arlington Theatre Friday morning at 10 o'clock will be presided over by Miss Rosalie Funk who will also be in charge of the afternoon program at the Catlow Theatre at 2 o'clock; both affairs will feature the latest in cooking methods and devices and copies of recipes used will be given those attending.

School Legislation to Be Topic at Dinner Meeting Here Nov. 13

Proposed school legislation will be the subject to be discussed at the dinner meeting of Division 2, Sec. 1 of the Lake Shore Division of the Illinois Educational Association to be held at 6:30 o'clock, Nov. 13, at the Ball Hotel. Principal R. E. Clabaugh will lead the discussion.

The local division includes Antioch, Lake Villa and the surrounding rural schools.

Pleasant All Hallows' Eve Enjoyed Here

One hundred and fifty children took part in the annual Antioch Halloween Jamboree last Thursday evening.

Following a costume parade on Main street, under the sponsorship of Principal R. E. Clabaugh and grade school teachers, the children were guests at a showing of the motion picture, "Seventeen" at the Antioch theatre.

The 54 costume prize awards and candy for all the children were provided by Manager F. B. Swanson of the theatre, and the grade school. Judges were Mrs. J. E. Brook, Mrs. Clarence Shultis and S. E. Pollock. Streets Policed

A special police detail of 12 men patrolled the village from evening till 5 a. m., and all was reasonably quiet.

The more mischievous element as well as that inclined to out-and-out vandalism—had some innings in the morning, however.

The damages: Limburger cheese on assorted shop door handles.

Ditto on the manifold of C. E. Hennings' truck motor.

Scrap iron piled on the porch of Irving Elms' home on Orchard street.

Four dozen eggs missing from a crate of 30 dozen in a farmer's car which was parked on Main street.

The firing and destruction of a stack of alfalfa hay on the Clarence Crowley farm.

Removal of a small outside building from a lot at Deep lake to the sidewalk on Main street.

The placing of a deceased (and no doubt about it, either) raccoon in the back seat of a sheriff's squad car, during a short stay in the village.

High School Juniors Will Hold Community Party November 15

A community party to be sponsored by the Junior class will be held at Antioch High school, Friday, Nov. 15. Committees have been appointed and work is well under way.

Modern and old time dancing will be provided. Bunco, five hundred and contract and auction bridge will be played in the library. Refreshments will be served throughout the evening in the cafeteria. Special floor show entertainment will be presented.

Special features this year will be the personality contest and cakewalk. Decorations for the event will be carried out in the patriotic colors of red, white and blue.

Tickets may be purchased from members of the junior class.

Try-Outs for Legion's WLS Show Announced

Gladys Jones Will Again Direct "Home Talent" Production

Preparations for the Antioch American Legion post's second annual WLS Home Talent show will get under way with try-outs to be held Tuesday, Nov. 12 and Friday, Nov. 15, in the Legion hall.

As in last year's presentation, gifted amateurs from other communities in Lake, Kenosha and McHenry counties as well as from Antioch are expected to take part.

Nov. 21-23, Dates
Nov. 21, 22 and 23 have been set for the show nights, with a change of talent and program each evening.

Miss Gladys Jones of the WLS Prairie Farmer Community service, who directed last year's highly successful presentation, will again have charge of arrangements.

Report Big Corn Yield in County

Crop of 113.3 Bu. per Acre on Chesney Farms One of Largest in 1940

Chesney Farms, Lake Villa, Illinois, has just harvested one of the highest corn yields produced in the state this year, and has entered it in the 1940 DeKalb National Corn Growing contest.

William M. Marks, chairman of the Lake County Republican Central committee, has been manager of Chesney Farms for many years. Otto Lehmann is the owner.

Chesney Farm's certified yield of 113.3 bushels of corn per acre is expected to place it high in the county and state divisions of the contest, according to an official report from the judges of the nation's biggest corn yield competition. If it is successful in winning top honors in the county and state as well, its yield will automatically be entered in the national division to compete for the grand championship.

Chesney farm's big crop will produce as much corn from 5 acres as the average farmer in the United States harvests from 18 and is one of the largest reported in the country this fall.

The crop was grown with hybrid seed corn, DeKalb 225. His remarkable yield virtually assures him of winning one of the master corn growers' trophies awarded to producers of the five biggest county-contest yields, and promises to boost him to state and national corn growing honors as well.

The Lake county farmers who are also entered in the contest this year include Frank Farm of Antioch with 78 bushels per acre.

Damage estimated at a total of \$1,000 was done to the summer home and furnishings owned by James Hodek, Route 39 and Roberts road, near Wauconda, by Halloween vandals.

FDR Gets His Third Term; Green Wins Ill.

Republicans Take Strong Lead in Lake County Balloting

Antioch went for Wilkie even if the nation didn't, for he polled 1,372 votes in the community's three precincts, as against Roosevelt's 581.

In the state of Illinois, Dwight H. Green, Republican candidate for governor, reversed the Democratic tide to win his office over Harry B. Hershey by what is believed to be the largest plurality ever given a Republican candidate for Illinois office.

Incomplete returns on the major office in Illinois are:

PRESIDENT
Roosevelt (D.) 2,130,194
Wilkie (R.) 2,036,431
Roosevelt's majority 93,723

U. S. SENATOR
Brooks (R.) 2,035,417
Slattery (D.) 2,021,096
Brooks' majority 14,321

GOVERNOR
Green (R.) 2,176,186
Hershey (D.) 1,933,477
Green's majority 242,709

LIEUTENANT GOVERNOR
Cross (R.) 2,020,559
Lewis (D.) 1,920,922
Cross' majority 99,637

SECRETARY OF STATE
Hughes (D.) 2,075,053
Johnson (R.) 1,929,448
Hughes' majority 45,605

STATE AUDITOR
Lueder (R.) 2,083,534
Martin (D.) 1,980,353
Lueder's majority 103,181

STATE TREASURER
Wright (R.) 2,149,498
Adams (D.) 2,092,227
Wright's majority 55,271

ATTORNEY GENERAL
Barrett (R.) 2,223,538
Ward (D.) 2,112,868
Barrett's majority 110,670

According to returns from 87 of the 95 Lake county precincts, the five Republican candidates were given nearly a two to one lead over the Democratic county ticket. Elected to four year terms in county balloting were Circuit Clerk L. J. Wilnot, County Recorder Howard L. Scott, Coroner John L. Taylor, and County Auditor Robert J. Pearsall, all incumbents; and Harry A. Hall, state's attorney, who will serve for the first time in this office.

Democratic candidates in the race were James E. Powers for circuit clerk, Fred A. Galiger for county recorder, Orville J. Lane for county coroner, Edward Klammer for auditor and Charles Noll for state's attorney.

Paddock is Congressman

George A. Paddock of Evanston won the 10th district congressional seat in the North Shore Republican landslide by a margin of approximately 23,000 votes, over John Handlerlein, Democratic candidate.

The vote in northern Cook county Gold Coast suburbs was heavily Republican.

Paddock, a major in the U. S. army during the World War, an investment broker and attorney, was successor to the late George Harding as treasurer of the Cook county central committee and is also Evanston township committeeman.

The vote on the Eighth Illinois senatorial district candidates was a mere formality, and all candidates were re-elected. They include Senator Ray Paddock, Representative Nick Keller, Representative Harold D. Kelsey, Republicans, and Thomas A. Bolger, Democrat.

Antioch Vote for President
Precinct Wilkie Roosevelt
1 607 279
2 628 172
3 137 130
1372 581

Hall, High Vote-Getter
Harry Hall, Republican, for state's attorney, was high vote-getter in Antioch township and also in the county. In the three precincts he polled 618 in precinct 1, 638 in precinct 2, and 137 in precinct 3. His opponent, Charles Noll, received 485 votes in the township.

Dwight H. Green, for governor, was second in the township with a total vote of 1390, followed closely by C. Wayland Brooks, for senator, with 1360 votes.

Mr. and Mrs. Frank Lux and family of 810 N. Main street motored to Gratiot, Wis., to visit friends and relatives over the week-end.

How Private Industry Works

By R. M. Hofer

I recently had an opportunity to see the Irvin Works of the Carnegie-Illinois Steel Corporation near Pittsburgh. Here is a plant for which ground was broken May 22, 1937. Different units of it started operation March 2, March 15 and November 1, 1938. The site area covers 653 acres. Buildings under roof cover 51.5 acres. It requires 2,000 motors with a total of 300,000 horsepower. It produces 600,000 tons of finished products per year, and employs 3,750 workmen at an estimated payroll of \$30,000 daily.

This is an example of a private enterprise that went ahead in its own way with private capital totaling some \$75,000,000, and built a whole new plant which was in operation 18 months after ground was first broken. There was no fuss or feathers; there were no government subsidies. The electric power for the mill is supplied by a private company as part of its day's work, as the steel company, after thorough investigation, decided it could buy power cheaper than it could make it itself.

What a testimonial this is to American initiative!

And what a farce it makes out of the claims of politicians who today use the "war emergency" as an excuse for trying to inject the government more and more into different lines of business!

If the socialistic gang in government would confine themselves to regulating industry fairly, thereby encouraging its normal expansion, and save the hundreds of millions and billions of government money which they use for competitive purposes with private enterprise, the national debt would be lower and the defense program and the interest of the taxpayers would be immeasurably strengthened. Give industry a chance under sound laws and regulations, and watch it supply the needs of this nation in record time.

Courtesy and Safety

In many corner lots today there's the kid who has to be quarterback or pitcher or he won't play.

This trait of childishness frequently persists into adulthood in various forms. Perhaps the most dangerous outlet for the feeling is driving a car.

Charles M. Hayes, president of the Chicago Motor club, points out that many motorists refuse to "play second fiddle" in traffic. Whatever the prime cause of this impulse, their escape takes the form of weaving in and out of traffic in order to pass everything on the road. They refuse to yield to anyone.

Mr. Hayes points out that there can be no more dangerous frame of mind; that such an attitude is one of poor sportsmanship. He suggests that they be "penalized," made subject to enforcement, and be made to learn the rules of the game, educate themselves in courteous rules of the road.

And Mrs. Herman Frank. The Franks spent Saturday evening with Mr. and Mrs. Frank Zarusoff at Richmond.

Mrs. Flavia Ehler entertained at dinner Sunday for her parents, Mr. and Mrs. William Harn.

Miss Peggy Shotton and J. W. Murrie of Antioch were married at Dubuque, Iowa, on Monday. They were accompanied by Mr. and Mrs. William Keulman, Jr., of Antioch. The bride has been employed for some time at the New Era Telephone Company office in Wilnot. Mr. Murrie is associated in business with his father at the Standard Products Station in Antioch.

Rev. John Finan attended the funeral services for Rev. Edward Schiefel at Dover on Thursday morning.

Rev. and Mrs. Carl Otto and friends from Wauwatosa were in Wilnot with the Rev. and Mrs. R. P. Otto this week. The men of the party spent the time hunting.

Albert Sarbacher from Milwaukee spent Thursday and Friday as a guest of Mr. and Mrs. Herbert Sarbacher. Erminie and Grace Carey were in Racine on Thursday.

Halloween sprites were very busy in the village on Thursday evening and made many changes in the landscape.

Ten members of the Kenosha County Fair Board met at the school for a report of the Fair given last August, and to make plans for the next Fair. It was voted to hold the fair on the Friday, Saturday and Sunday preceding the Wisconsin State fair.

Lawrence Engel, Milwaukee, came to Wilnot on Saturday to spend the

winter months with his son, Charles Engel, instructor of music at the U. F. H. school.

The Annual Red Cross Roll Call dinner will be held at the Wilnot High School Thursday evening, Nov. 7, at 6:30 o'clock. The dinner will be served by the Wilnot Mothers' club. Township chairmen are: Brighton, Mrs. Urban Eppers; Bristol, Mrs. Vera Smith; Salem, Mrs. Herbert Sarbacher; Paris, Mrs. Lawrence Wisneski; Pleasant Prairie, Mrs. Alice Riley; Randall and Twin Lakes, Mrs. Clara Hartnell; Somers, Mrs. Axel Rasmussen; Wheatland, Mrs. Martin Herd; Silver Lake, Mrs. Chester Hockney. All chairmen are requested to attend this dinner and bring the workers from each school district. Reservations should be sent to Erminie Carey, county chairman, at Wilnot, or to W. W. Davis, chairman Red Cross in the city of Kenosha and Kenosha county.

Following the dinner a meeting will be held in the school assembly. Reports of the work done during the last year will be given. Mrs. Beulah Green and her Red Cross executive secretary and her assistants will present statistics on the sewing and knitting accomplished at the Red Cross headquarters at the Kenosha Youth Foundation. The meeting in the assembly is open to the public.

Mr. and Mrs. Frank Kruckman spent Sunday with relatives at Crystal Lake.

At the last meeting of the M. E. Ladies Aid at the church basement a surprise was tendered the president, Mrs. Etta Winn on the occasion of her seventieth birthday anniversary. The members sang "Happy Birthday"

after the pastor, the Rev. Atwood, asked the blessing. A lovely dinner was served with a birthday cake and numerous gifts for the guest of honor. Friday, Mrs. Winn entertained for Mrs. Paul Ganzlin, Mrs. David Kimball and Mrs. Winn Peterson.

U. F. High School

The High School and Grade school of Wilnot will be closed Thursday and Friday to permit the members of the respective faculties to attend the Wisconsin State Teachers' convention at Milwaukee.

The football season closed Saturday evening with Wilnot vanquishing the McHenry high school team 40-0. The game was followed with a dance in the gymnasium in honor of the homecoming game. All attention will now be focused on the basketball season. A schedule of games will be issued shortly.

Friday evening, Nov. 15, has been chosen for the annual Carnival to be held at the school building. Miss Mildred Berger and her committee, Mammie Frey, Oswald Barth, Herbert Kolmos, Mickey Rolers and Ardis Hegeman, have been busy planning original shows, concessions and door prizes for the event.

As usual a vote is being taken for the Annual King and Queen of the carnival. Candidates are as follows: Freshman class—Mickey Rolers and Eleanor Epping; sophomore—Leonard Fisher and Harriet Sakalowski; junior—Dick Rolers and Juanita Young; senior—Ray Newberry and Anna Mae Shottliff. A third of the proceeds will be spent on athletics; another third on the music department and the rest for something for the school not decided at present.

THE GOLDEN RULE

LESSON TEXT—Luke 6:27-38.
GOLDEN TEXT—As ye would that men should do unto you, do ye also to them likewise.—Luke 6:31.

Hiding in a dark cellar will not stop the sun from shining; it will only deprive us of its warmth and life-giving power. Likewise the failure of mankind to receive and practice the great principles of Christian faith does not alter nor weaken them, even though it does deprive humanity of their blessing.

It may seem foolish to some to observe on Armistice Sunday in the midst of a world at war, to talk about the golden rule in a selfish world where men hate one another, but the fact is that now is the time to really proclaim the solution of God for man's problems. Then too, let us remember that the failure of mankind as a whole to receive the truth of God does not hinder us from receiving it as individuals. Our relationship to God is an individual matter, even though we also belong to a race or nation. Our lesson presents:

I. A Great Christian Principle (vv. 27-31).

The magnificent breadth of this principle of Christian consideration has often been lost sight of in argument over the detailed interpretation of verses 29 and 30. Surely there is not in mind here any casting to the winds of an intelligent appraisal of the needs of those to whom we give; nor is there any thought of a self-glorifying turning of another cheek in physical combat. It does not teach that our nation may not defend itself against those who attack us. At the same time we must note that it means much more than most of us are willing to read into its words.

What does it mean? It means that in the spirit of Christian love we will give of ourselves and our substance in "large handed but thoughtful charity." It means love for our enemies—no small withholding even from unreasonable people. It means doing unto others what we would have them do unto us. It "requires that we should sell to others as we desire that others sell to us . . . that we buy of others as we desire others to buy of us . . . that we talk about others behind their backs as we desire that others should talk about us . . . Are we doing it?" (Dr. John W. Bradbury).

The Golden Rule is not the Gospel. No one is saved by living according to it; in fact, that is quite impossible apart from faith in Christ.

II. Its Divine Foundation (vv. 32-35).

The so-called golden rules of men lack the divine element of grace and are all in the negative. Confucius said, "Do not do to others what you would not want them to do to you." Others spoke similarly, but Jesus, building on the divine love which does good to even the evil and the unthankful (v. 35), gives a positive admonition of gracious consideration of others.

We are the children of the Most High God (v. 35) and are to live in accordance with His standards and, what is of equal importance, by His grace and strength. Even Christians are prone to live as their neighbors live (vv. 32-34) until they see how much better God's way is, and realize that He gives enabling grace for a daily walk in that better way.

III. Its Practice and Reward (vv. 36-38).

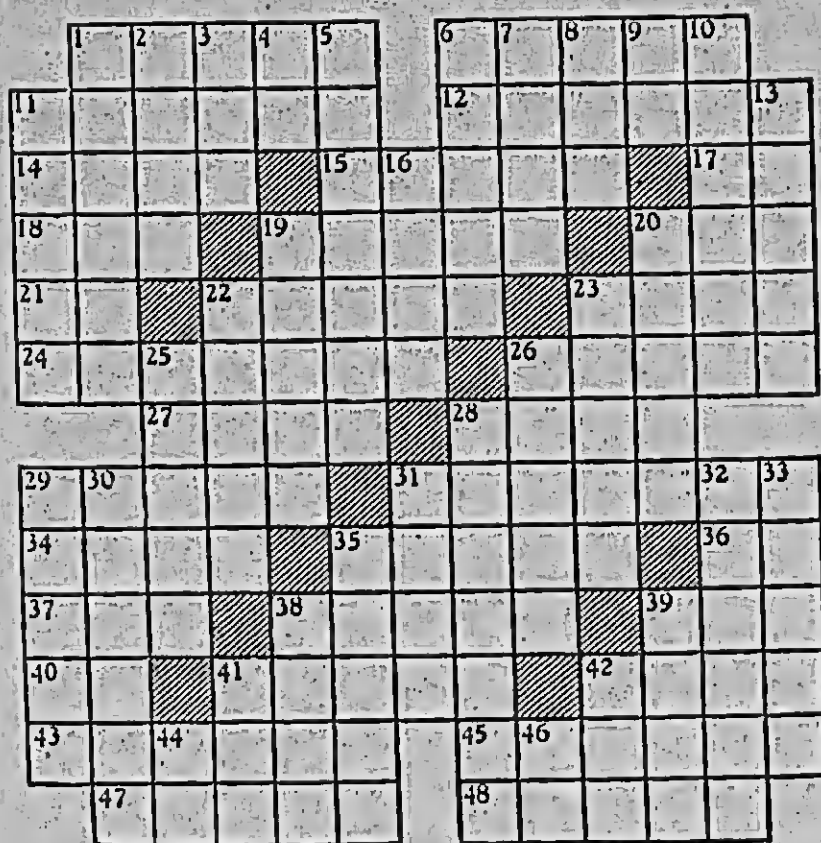

Jesus has already admonished His followers to love and serve both friend and foe. The manner in which that is to be put into practice is further developed by urging them to be merciful, not setting themselves up to judge the conduct of others, but rather giving liberally to them in a spirit of love. This does not forbid judging on the part of those whose official duty it is to judge, nor does it set aside the exercise of sound judgment (Isa. 56:1 and I John 4:1), but it does forbid unauthorized and unkind judgment.

"But will all this pay?" asks Dr. Bradbury (in "The Gift of the Lesson") and answers: "Indeed it will . . . The measure that we use in measuring out to others is the very measure God will use in measuring in to us. The reason many of us get so small a blessing from God is that we use such a small measure in our beneficence and blessings to others" (see Phil. 4:10, noting vv. 15-19; I Cor. 9:8, noting vv. 6, 7; and I John 3:22, noting vv. 10-21). "One of the most fundamental conditions of prevailing prayer is generosity in giving. A stingy man cannot be a mighty man of prayer (Prov. 21:13)." Read these verses with care, and they will bring a real blessing to your life.

Giving and Receiving
Give, and it shall be given unto you good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.—Luke 6:38.

Did you buy YOUR
car on "Millinery"?

YOU hear it said often nowadays that it's millinery that sells automobiles.

All right—let's put it up to one who knows. Did you buy your car on nick-nacks, trick devices, novelties?

We don't think so.

We believe that while considering style, and room, and comfort—you really picked your car on what it would do on the road!

Now, we take our hats off to no car for being smarter-looking than Buick. We'll match our product against any

for room, for appointments, for fine finish, for comfort.

But beyond all that, we challenge the whole field to equal

Buick on its downright all-round performance ability.

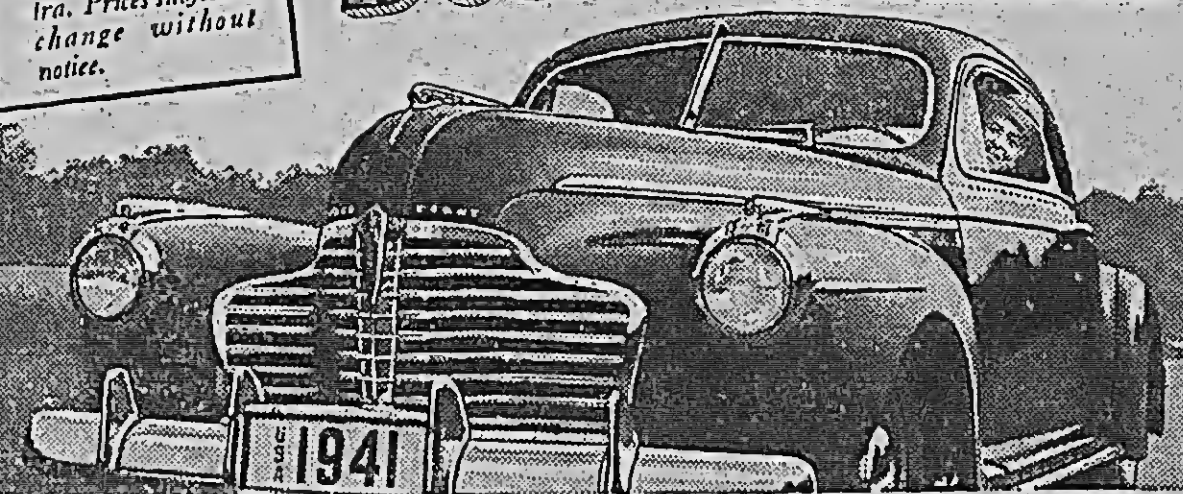

On its power—on its pull—on its pick-up—on its easy handling (including freedom from shifting)—yes, and on its thrift.

Nowhere will you find a car that does so much so well and so frugally.

You'll find novelties in the new Buicks of course, but they're not the chief attraction. Instead you'll see the two big basic engineering developments of the year—FIREBALL design and Compound Carburetion.

W. J. Murrie and "Peggy" Shotton of Salem Wed Monday

Busy getting settled in their flat on Lake street over Ted's Sweet shop are Mr. and Mrs. John Wallis Murrie, who returned Tuesday evening from a two days' honeymoon trip through Iowa, Minnesota and Wisconsin.

The bride is the former Miss Gwendolyn Margaret ("Peggy") Shotton, daughter of Mr. and Mrs. Walter Shotton, Salem. The bridegroom is the son of Village Clerk and Mrs. Roy L. Murrie, and has been associated with his father in the management of the Standard Service station at the corner of Main street and Park avenue.

Their marriage took place Monday in Dubuque, Ia., with the Rev. John Flockhart, rector of St. John's Episcopal church there, officiating.

Mr. and Mrs. William Kealman, Jr., of Antioch attended the couple.

The bride wore a frock of duobonnet velvet, with black accessories, and a corsage of carnations.

Her matron of honor, the former Miss Thelma Schlach of Salem, wore a black suit with white accessories, and her corsage was also of carnations.

The bride attended the Union Free High school at Wilmet, and the bridegroom attended Antioch Township High school.

Mildred Homan is Bride in Wilmet Ceremony Saturday

Miss Mildred Homan, daughter of Mr. and Mrs. Henry L. Homan, Channel Lake, became the bride of Glen Siedschlag of Spring Grove at a ceremony in Peace Lutheran church, Wilmet, Saturday afternoon at 3 o'clock. The Rev. R. P. Otto read the services.

The bride, who was presented at the altar by her father, wore a gown of white transparent velvet and a finger-length veil, and carried an arm bouquet of white chrysanthemums.

Her maid of honor, Miss Alice Stewart of Spring Grove, wore blue tulle with pink accessories and carried a colonial bouquet of mixed flowers.

The Misses Katherine Beck of Chicago and Mary Henae of Elmwood as bridesmaids wore, respectively, blue tulle with pink accessories and pink tulle with blue accessories. Both carried colonial-style bouquets.

Allen Pierce attended the bridegroom as best man, and ushers were Donald Homan, brother of the bride, and Ralph Pierce of Spring Grove, nephew of the bridegroom.

During the service Mrs. Russell Homan sang "O Promise, Love."

Seventy-five guests attended the reception in the home of the bride's parents following the ceremony. Mrs. Homan wore a gown of maroon velvet with a corsage of mixed flowers.

The bride attended Channah Lake Grade school and Antioch Township High school. The bridegroom, who is employed in the Aluminite plant in Woodstock as a press operator, attended the English Prairie Grade school and the Union Free High school at Wilmet. He is a son of the late Mr. and Mrs. Herman Siedschlag.

Mr. and Mrs. Siedschlag plan to make their home in Channah Lake for the time being.

Methodist Church

Another fine congregation was present last Sunday morning including many who were strangers. Special music by our Junior choir and a solo by Stewart Good added much to the service. A deep spirit of devotion prevailed as the pastor spoke from Psalm 104:23, "Man goeth forth to his work and his labor until evening." The sermon in brief: "Man is a dual being; physical and spiritual. The physical is limited to a few years and ceases to be. The spiritual is unlimited and lives beyond the evening of life in the new day of eternity. The supreme purpose of the physical man is to nourish and develop the spiritual man and at the 'evening' present it to God as it is received; 'in His image.' At least four things may be said to fulfill this purpose. First, the pursuit of Truth. Not searching for more facts, but for the significance of the purpose of God behind the facts. Second, the attempt to create beauty. No one really knows beauty until he has created it, until he has caused a mass of material to become an edifice, a line of beauty, a landscape, a masterpiece of art; a jargon of sound to become a symphony; a child, the raw material of life, to bear the beauty of the image of God. Third, the venture of Love. Not mere sentimentalism or emotion, but love that purifies and endures. Such love becomes a passion; a passion to give that others may have; a passion to suffer that others may be happy; a passion to die that others may live. This is love like that of Christ. This lives eternally. Fourth, the outreach for God. From the beginning God has been of supreme importance to the race. He is the meaning behind the facts. He is the Master Artist, the maker of beauty. He is the master Lover, who to love is to possess all else. If life is lived in terms of the external alone, the 'evening' will give place to the darkest night. But if it has lived in pursuit of Truth, in an attempt to create beauty, in a great venture of Love, in reaching out after God, 'There will be light at evening.'"

Evelyn Woodbury and Edmund Strang Wed in Maqueoketa, Iowa

Mr. and Mrs. Edmund Strang, whose marriage took place Nov. 1, in Maqueoketa, Ia., are expected to return the latter part of this week from a honeymoon trip in the south.

Mrs. Strang is the former Miss Evelyn Woodbury, daughter of Mr. and Mrs. Lyle Woodbury of Pleasant Prairie township in Kenosha county.

For her wedding she wore a light green sheer wool ensemble with harmonizing accessories, and her bouquet was a corsage of tiny chrysanthemums.

Mr. and Mrs. E. A. Aschmann attended the couple.

The bride is a graduate of Union Grove, Wis., High school.

Mr. Strang, who is the son of Mr. and Mrs. L. G. Strang of Antioch, is a graduate of Antioch Township High school and is associated with his father in business here.

They plan to occupy the home on south Main street recently vacated by Mrs. Charles Barry.

St. Peter's Groups See Motion Pictures

The showing of religious motion pictures and a talk by a priest from May's Lake near Hinsdale highlighted the joint social hour following meetings of the St. Peter's church societies Monday evening.

The members of the Young Ladies' sodality were hostesses to the Altar and Rosary and Holy Name society members for the luncheon and social period.

During the Altar and Rosary society business meeting, which was well attended, plans were made for a card party to be held Thursday, Nov. 14, at 8 p. m.

Miss Grace Jarch is chairman of the party committee. She will be assisted by Misses. Dudley Kennedy, Eugene Sheehan, Mae Heydenreich, Paul Chase, Tom Runyard, John Doyle, Frank Holt, William Walters, Irving Padlock, Ted Hucker, Lucy Himmens, Helen Osmond, Helen Nelson, and Dan Walsh.

A chicken dinner to be held Dec. 3 is among the coming events for which the Young Ladies' sodality made plans.

Travels in Central America Described for Business Women's Club

The "informal side" of a trip which she and Miss Elizabeth Webb made to Guatemala and Honduras in October was interestingly described by Mrs. Chase Webb in a talk she gave at a meeting of the Antioch Business and Professional Women's club Monday evening in the home of Mrs. Charles N. Lux.

Hand-woven textiles, curios of various sorts and articles of clothing she brought back with her were used by Mrs. Webb to illustrate her descriptions. She also showed pictures of persons and scenes taken by Miss Webb during their 19-day journey, which was made by train, boat and automobile.

An impressive church ceremonial they witnessed in Chi Chi Castango was among the highlights on which Mrs. Webb touched in the course of her talk.

Royal Neighbors Will Hold "Friends' Night"

Royal Neighbor camps of Gurnee, Waukegan and Libertyville have been invited to attend the "Friends' Night" observance to be held by the Antioch camp Tuesday evening, Nov. 12, at 8 o'clock in the Odd Fellows' temple.

Mrs. Gladys Ames of Gurnee, supervisor, is to be the guest of honor.

Juveniles as well as adult members are to be present for the observance, which will include the initiation of two new members and a social period during which refreshments are to be served. Special music will be a feature of the evening. Mrs. Joseph Patovsky and Mrs. Christina Nielsen are co-chairmen of the committee for the social hour.

Mrs. Eleanor Edgar is oracle of the Antioch Royal Neighbors.

ANNOUNCE ANNUAL CHICKEN DINNER

Wednesday evening, Dec. 11, has been set as the date for the annual chicken dinner sponsored by the Ladies' Aid society of the Antioch Methodist church. The Aid, which will in future be called the Wesley Circle of the Woman's Society of Christian Service of the Methodist church, is headed by Mrs. Roy L. Kurlak, president.

The dinner will be served from 4 p. m. until all are served.

Adult tickets, which will be 50 cents, and children's tickets (up to 10 years of age) will be 35 cents, are obtainable from a committee of which Mrs. W. C. Petty is chairman.

Mr. and Mrs. Alfred Davis of Crystal Lake are the parents of a son born Nov. 1, and weighing eight pounds, twelve ounces. Mr. Davis is the son of Mrs. Elva Davis, formerly of Antioch and now of Crystal Lake.

"Symphony in Stone" is St. Peter's Church

Antioch Edifice Is Called World's Most Beautiful Country Church

St. Peter's of Antioch is one of the most beautiful country churches in the world, according to "The New World," Chicago's official Catholic newspaper, which carried a story of the local church together with a brief history of the parish, in its issue of October 25. The edifice, erected in 1929, cost about \$250,000.

"The New World" story is here-with printed in full:

Called one of the most beautiful country churches in the world, St. Peter's, Antioch, is a symphony in English Gothic architecture. The church and rectory connected by a cloister with a belfry tower are flanked by neatly trimmed hedges and evergreen trees.

The Rev. Francis M. Flaherty, pastor, assisted by the Rev. Father George Slomewski, ministers to 150 families in his parish.

St. Peter's had its beginning in St. Mary's church, Reddick, which was founded in 1900 by the Rev. M. Brun-ton, as a mission of the parish of Rosecrans. In 1904 Father Brun-ton was succeeded by the Rev. J. P. Joyce, who held the position of pastor until 1909.

The Rev. J. E. Lynch then succeeded to the pastorate and at this time a mission at Fox Lake was established.

Erect Present Building

It was in 1929 that the cornerstone for the present church was laid. Located at the intersection of the Channah Lake and Fox Lake roads, St. Peter's church serves summer resort visitors for many miles, as well as the families who live in Antioch all the year around.

The church and rectory are constructed of random coursed Lannon stone with Bedford trim. There are accommodations for 550 people in the church, and an auditorium on the ground floor seats about 500. A central heating plant located in the church provides heat to the church, rectory and future school and convent.

Plans for the parish unit were drawn up and executed by the Rev. Daniel Frawley, who engaged the services of Leo Strelka, the architect, to carry out his dream of a truly beautiful church. The interior is as impressive as the exterior.

The three altars are of marble and were imported from Italy. The main altar has a hand carved wood reredos and the communion rail is marble with gates of hand-wrought bronze. Harmonizing with the altars is the sanctuary floor of colored marble.

TEAS TO BE HELD AT GRADE SCHOOL

As part of the local observance of the 20th annual National Education Week, Antioch Grade school will hold a series of teas for the parents next week.

The teas will be held Tuesday, Wednesday, Thursday and Friday afternoons at 3 o'clock. Informal discussions, in which parents and teachers will talk over common problems, will be features.

The teas will take the place of the customary "open house" during Education Week.

There will be no school on Armistice Day.

A NEW SOCIETY FOR METHODIST WOMEN

Conforming to the union of the three Methodist Churches of America, all the women's societies of the Methodist Church of Antioch have been merged into one to be known as The Women's Society of Christian Service. The officers are: Mrs. W. C. Petty, President; Mrs. Walter Hiecher, Secretary; and Mrs. Drucilla Ferris, Treasurer.

The two societies which have been working separately will become departments of the new organization.

The Friendship Circle will be the Friendship Circle of the Woman's Society of Christian Service, and the former Ladies' Aid Society will be the Wesley Circle of the Woman's Society of Christian Service. Both circles will retain the officers now in charge.

LADIES' AID SOCIETY HOLDS BUSINESS MEETING

The regular meeting of the Ladies' Aid Society of the Methodist church of Antioch met Wednesday afternoon with Mrs. W. R. Williams. It was decided to hold the annual chicken dinner on Wednesday, Dec. 11, and a number of necessary committees were appointed to have charge.

In behalf of the ladies of the church Mrs. Clara Westlake spoke very appropriately of the twenty years service of Miss Ella Ames as the Financial Secretary of the church, and presented her with a fitting gift as a token of love and appreciation. We pray that her years of quiet, efficient Christian living may not soon come to an end.

This meeting becomes historic in the fact that formal action was taken by the group by which they became the Wesley Circle of the Woman's Society of Christian Service of the Methodist Church.

Five Delegates Attend Annual Meeting of Holy Name Societies Sunday

Five delegates from St. Peter's Holy Name society were in attendance Sunday at the annual meeting of the Chicago Archdiocesan Union of Holy Name societies held in the grand ball room at the Palmer House in Chicago. The local delegates were Fr. F. Flaherty, Robert Dunn, C. Walters, Dudley Kennedy and R. Vos.

The chief purpose of the meeting was the adoption of a new constitution and by-laws recommended by spiritual director Archbishop Samuel A. Stritch. There were addresses by Archbishop Stritch, Rev. Edward J. Kelly, executive director of the Union, and Matthew Gobreski, assistant executive secretary.

Personals

Bahai Lectures Will Be Presented in Union Grove

"Is This the Darkest Hour before the Millennial Dawn?" is the subject of the first in a series of three free lectures to be given at the American Legion Hall in Union Grove on November 13, 20 and 27 at 8:15 o'clock. These lectures are being presented under the auspices of the Racine and Kenosha Bahai Assemblies.

The first speaker, Albert Windust of Chicago, always an ardent Bible student, was one of the first in this country over forty years ago, to realize that the Bahai Message was the fulfillment of Bible Prophecy, and that ever since has been a devoted follower and untiring worker in spreading this message.

A few years ago, Mr. Windust spent several months at the international headquarters of the Bahai Faith in Haifa, Palestine. At that time he also visited many historical scenes of Biblical days and has a wealth of interesting facts to relate.

The lecture on November 20 will be presented by Ruth Moffett of Chicago, her subject being "What Hope Amid Crashing Worlds?" and on the 27th an illustrated lecture on "The Bahai House of Worship and its Symbolism" will be presented by Virginia Camelon assisted by Edwin Mattoon, both of Wilmette, Illinois, the home of the world famous Bahai House of Worship.

Youngest Senator

Joseph H. Ball, Minnesota newspaperman just appointed to the Senate of the United States to succeed the late Senator Ernest Lundeen of that state, will be the youngest member of that body when he takes his desk in Washington. He is 34 years old and delayed his trip to Washington so that he might register for the draft.

FUND RAISING:
President Speaks

Community Chests in thousands of communities taking part in the 1940 Mobilization for Human Needs opened their drives for funds. The first gun fired was a speech from the White House by President Roosevelt. "The ancient injunction to love thy neighbor as thyself," the President said, "is still the force that animates our faith—a faith that we are determined shall live and conquer in a world poisoned by hatred and ravaged by war."

WASHINGTON:

Defense

The capital is filled with rumors of impending changes in the defense commission setup following the election. One rumor has it that if Roosevelt wins, he will offer Wendell L. Willkie, his Republican opponent, the position of commission chairman.

A more likely routine is that William A. Knudsen will be elevated to the position of "chief of staff" and that Donald T. Nelson, former Sears Roebuck executive expert, will be "co-ordinator" between the commission's several divisions.

Secrets

Leaks in information supplied by the army to congressmen has irked defense officials. It was indicated there will be a general tightening up. Two recent events were the final straws. First, members of the house appropriations committee made public details of an airport program that the army was guarding and asked be kept secret. Then Rep. Van Zandt (R., Pa.) made an array of figures of arms equipment, although Chief of Staff Marshall was said to have requested the tables be treated as confidential.

Otherwise on the Washington front:

Secretary of State Hull made public denial of rumors that he would resign.

American diplomatic missions in Rome and Berlin were ordered home in what was described as a personnel shift.

Rumanian-owned funds and securities totaling \$100,000,000 were "frozen" in U. S. banks during the Balkan disturbances.

LABOR:

New Regulations

With the federal law reducing the maximum hours of labor from 42 to 40 now in effect, Federal Administrator Philip B. Fleming announced regulations exempting thousands of "white collar" workers from the provisions. To these the law will not require that overtime wages be paid. Overtime for all others will be time and one-half time.

The regulations are the result of months of study and hearings by the wage-hour division. They decided that an executive is one whose duty consists of management of an enterprise of "sub-division" at a salary of at least \$30 a week. He also must have the power to hire or fire.

MISCELLANY:

Col. Fulgencia Batista, once an obscure army sergeant, was inaugurated president of Cuba. For years he was the strong man back of a long line of presidents. Batista decided he could better carry out his program from the presidential palace. He was elected in July. Of peasant stock, Batista wants education for the illiterate thousands. He has built schools, laid out an agricultural program and advanced public health.

Tom Mix, star of stage, screen and radio, answered the call of the last roundup. The world-famous cowboy was killed in an automobile accident near Florence, Ariz. Mix was not only a movie style cowhand. He won national riding and roping honors in 1909 and 1910.

A billion candlepower flashlight "bulb" attached to a camera was demonstrated at Rochester, N. Y., by Maj. G. W. Goddard, of the army. Flying 5,000 feet over the city, he was able to illuminate a five-mile area for a picture "with the light of day."

Seems the highway departments between Antioch and Iowa are sorta het up. The heavy matrimony-bound traffic between 'em and thar lately is making it hard to keep the roads in proper repair.

A diplomat of the first water is Charley Hoge. Asked who he was

going to vote for, Charley reflected briefly and observed, "Well, I've got friends on both sides. Maybe I'd better not vote at all."

Probably the "youngest" person in Antioch to vote Tuesday was Otto Hanks, assistant at Murrle's Standard service station, who observed his twenty-first birthday anniversary that day. He voted for Willkie.

Dr. D. N. Deering, who amuses himself in his spare time with the unusual hobby of designing scientific baits and lures, says he has created 17 different kinds during the past few months. And ladies, some of them thar bugs and animals are that life-like... you'd be plumb startled! His latest is a rubber duck decoy, made and colored in exact facsimile of the species it represents... mallard, pintail, or what-have-you.

Trappers' Applications
Available from Cermak

Charles Cermak, Jr., of Loon Lake, game warden, announces that he has received from the state conservation department at Springfield a supply of application forms to be used by owners residing on or bona fide tenants of farm lands, and their children actually residing on such lands.

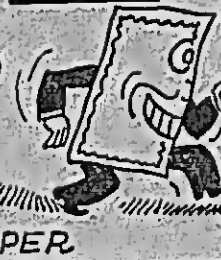

The above persons are exempted

from the purchase of a license to take fur-bearing animals, it is announced by the conservation department, but are required to purchase a set of 25 tags from the department for the operation of a number of traps not in excess of that amount.

Should any of the above persons desire to operate more than 25 traps, they would be required to purchase the regular license to take fur-bearing animals.

WEEKLY NEWS ANALYSIS

By Edward C. Wayne

Axis Powers Continue Balkan Drive, Attempting to Cut Britain's 'Lifeline'; Turbulent Labor Convention Forecast; Selective Service Lottery Completed

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)
(Released by Western Newspaper Union.)

BATTLE FOR EMPIRE: Balkan Adventure

Reinforced by an "understanding" with Gen. Francisco Franco, dictator of Spain, and Vice Premier Pierre Laval, acknowledged leader of France, the Axis powers rode off on a new highway of conquest. Benito Mussolini served a six-hour ultimatum on Greece to surrender its strategic airports and harbors "to guarantee peace." Then without waiting for an answer, Fascist legions drove across the border toward Athens from their bases in already-conquered Albania.

Meanwhile Adolf Hitler, established in Rumania, made ready to attack Turkey, swinging through the lone remaining independent countries of Bulgaria and Yugoslavia. Hitler predicted that by December 1 he would hold Istanbul and the Dardanelles.

Meanwhile there were indications that German troops would find free passage through Spain to attack Gibraltar. France's role was to turn over air and naval bases in Africa and the Near East for the battle on Britain's life line in the Mediterranean.

What seemed to be happening was the result of Hitler's failure to make England capitulate on schedule. London was still taking a severe beating from the air but still holding out and apparently giving Germany as good as it received.

So, unable to conquer Britain, Hitler swung his force on conquest of the British empire with a pincer movement on both ends of the Mediterranean.

Outposts

In this movement, Greece and Turkey were the last outposts linked to England in the fight against totalitarian domination. Outside of the Western hemisphere no independent nations lived, with the exception of parts of the British empire, virtually cut off from their mother country if the Nazi conquest succeeded.

There seemed little in the way of that success. Greece with an army of but 200,000 regulars, 400,000 re-

his district to answer the nation's selective service call.

The woman was Mrs. Henry E. Bell, wife of a World war veteran who was on duty outside the building in a legion guard of honor. As a memento she was given the capsule which contained her son's number. Later her husband, a District of Columbia fireman, also was permitted to draw a number from the bowl.

Earlier, dignitaries of the federal government drew numbers, and later Boy Scouts, veterans, newsmen, radio announcers and volunteers from the audience were given the honor. The pulling of numbers, begun at noon, went on all night and continued hours after the sun had struck the Capitol's dome. Nine thousand in all were listed serially.

In that order, providing the young men pass physical tests and have no dependents, they will be sent to army camps for a year's training. The first, a mere trickle, will leave home November 15. Before spring 600,000 in all will be in khaki. Army

This fellow typifies the expression of many "138s" as they learned that their numbers were the first drawn in the selective service lottery. He is Eugene Kolb Jr., of San Francisco.

officials estimated only these men whose serial numbers were among the first 1,500 selected will be examined for service this year, and half of them will not be accepted.

President Roosevelt ruled that no man may be taken unless he has been given five days' notice by his draft board, in order to settle personal affairs.

Mexico Weakens

The republic just south of the Rio has decided to lift an embargo on supplies of war to Japan. The embargo had been decreed five days earlier by President Cardenas. It was indicated there still may be some restrictions on oil and scrap, which are government monopolies. Otherwise exporters may engage in free trade, including much needed mercury.

One diplomatic source said a change may be made in the order after President-elect Manuel Camacho takes office in December. This spokesman said Mexico was anxious to co-operate with the United States and would recall the embargo if Washington indicated the international situation made it necessary.

The four days' trial, however, cost Mexican exporters hundreds of thousands of dollars, since the war has shut off all other shipments.

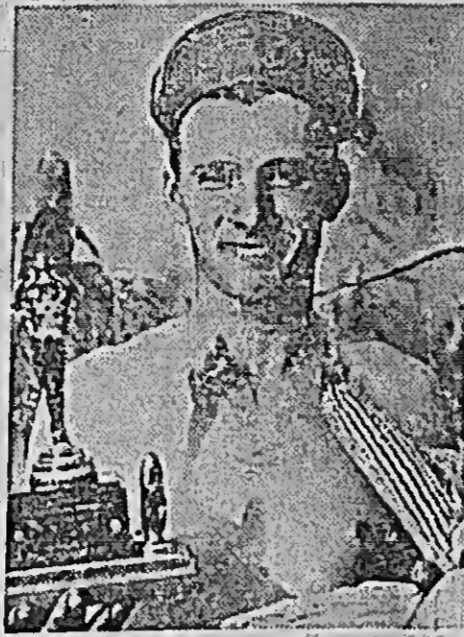

REVOLT IN C. I. O.: Lewis Is Target

What is forecast as likely to be one of the most turbulent conventions in American labor history is due when the Congress of Industrial Organizations meets at Atlantic City. John L. Lewis' endorsement of Wendell L. Willkie in the just closed presidential campaign was coupled with the announcement that he would resign if Roosevelt were elected.

Lewis already faced growing opposition in the C. I. O. Sidney Hillman, president of the Amalgamated Clothing Workers, split with Lewis on national defense. Hillman was named to the defense commission. Backing Hillman was the powerful Textile union. Lewis' endorsement of Willkie split away from him heavy factions of the automobile, steel, rubber and electrical workers.

If Lewis fails of re-election, many look upon Philip Murray, quiet-voiced steel chieftain, as the possible successor, rather than Hillman.

THE GLEANERS: Championship

Irving Bauman—1940 Champion. National Cornhusking Contest.

In a field of 21 expert nubbins tossers, Irving Bauman, Eureka, Ill., tossed 46.71 bushels of corn against the bangboard to win the National Cornhusking Championship at Davenport, Iowa. He barely nudged out Marion Link, of Ames, Iowa, who husked 40.30 bushels in the 80 minute contest. Bauman, a reenter, married and with a three-year-old son, gets the gold cup and \$100 prize.

NO REST: Carol Pursued

The turbulent road to exile traveled by former King Carol of Rumania struck a new detour. One month on his way from Bucharest to Portugal and still not at his goal, the king learned that the Spanish government had ordered his consort, Mme. Lupescu, and his palace minister, Ernest Urdareanu, returned to Rumania. There they likely will stand trial before an Iron Guard court for crimes against the state.

Carol was informed of the order by Spanish police. "Pray, who gave those orders?" he asked. "My superiors," said the officers. "Who are your superiors?" asked the king. There was no answer.

LOST COLONY: New Clues

In 1501, when George White, governor of the colony of Virginia, returned from a two-year trip to England, he could find not a trace of the settlement he had left on Roanoke island, N. C. The only clue was the word "Croatan" carved on a tree. It was the name of a local Indian tribe.

Until recently historians were mystified at the disappearance of the pioneer men and women. Three years ago a 21-pound quartz stone was found on the bank of the Chowan river, near Edenton, N. C. In Elizabethan English it told of the death of the colonists from "misery and war." Included in the dead was Virginia Dare, first white child born in America.

Now 45 other stones have been unearthed along a trail which showed the colonists plodded through North Carolina, South Carolina and Georgia. Twenty of the nation's foremost experts on pre-Colonial folklore, led by Dr. Samuel E. Morison, have declared the stones authentic. Most recently discovered stone told of the marriage in 1599 of Virginia Dare's mother to an Indian chief.

ASIA: U. S. Interests

In Asia, the current situation had important complications. Japan, now linked to Italy and Germany by the new triple alliance, said it would fulfill its obligations. These may be interpreted by Tokyo to call for seizure of Hongkong and Singapore. The British base at Singapore always has been considered to prop up one end of the American lifeline.

The United States took action in another direction. Premier General Petain of France was notified in a personal note from President Roosevelt that if France surrendered bases to the Axis powers, the United States would feel duty bound to occupy French colonies in the Caribbean.

TREND...

how the wind is blowing

Auto Sales—Retail sale of automobile trucks this season is running 20 per cent higher than in 1934. For the full year the manufacturers expect to pass the record of 1937, which was 947,000 units.

Entertainer—The duchess of Windsor soon may enter the radio field as a featured program. Radio circles announced they were hunting for a sponsor. The duchess will broadcast from Nassau and give her earnings to the British war relief fund.

Air Mail—A route through New England is being planned as the next step in extension of the non-stop air mail service. All American Aviation, Inc., "flies the circuit" in several eastern routes now, dropping pouches and picking up outgoing mail without making a landing.

Crime—Proof that the female of the species is deadlier than the male comes from the Federal Bureau of Investigation. A homicide survey showed that 14 out of every 1,000 women arrested are charged with murder, to 10 out of every 1,000 men.

LAKE VILLA

Mrs. Ollie Tweed, assisted by Mrs. Alice Douglas, will entertain the Royal Neighbor Officers' Club at the Tweed home Wednesday afternoon, Oct. 13, and visitors are welcome. Cards, prizes and refreshments.

▲ A federal grand jury investigation was begun into activities of Manfred Zapp and the Transocean News Service, which he headed. The Transocean News Service has no connection with any American news service. Its headquarters are in Berlin and there is an office in New York. It supplies "news" free of charge to many Latin-American newspapers.

▲ What was called the most drastic anti-union law in American history was declared unconstitutional by the Oregon Supreme court. The law forbade picket lines and industrial boycotts and was adopted by a state-wide referendum.

▲ Dr. W. Edward Gallie of Toronto, Canada, was elected president at the annual meeting of the American College of Surgeons.

¶ A federal grand jury investigation was begun into activities of Manfred Zapp and the Transocean News Service, which he headed. The Transocean News Service has no connection with any American news service. Its headquarters are in Berlin and there is an office in New York. It supplies "news" free of charge to many Latin-American newspapers.

¶ What was called the most drastic anti-union law in American history was declared unconstitutional by the Oregon Supreme court. The law forbade picket lines and industrial boycotts and was adopted by a state-wide referendum.

4 STEEL FACTS in one minute

Steel Capacity Above Previous Peak Demand
Because it has spent \$1,500,000,000 for modernization and new equipment, since 1929, the steel industry now can produce fully one-third more steel annually than it has ever been called on to make in any calendar year.

Early Ironworkers

Were Privileged
Workers of the nation's first iron works in 1644 were exempted from paying taxes. Also, unlike other colonists, they were exempt from watching for Indians.

Better Steels Made

Better Aircraft
Because of the better steels now available, a modern airplane engine weighs only one pound per horsepower developed, whereas the Wright brothers' first engine weighed 21 pounds per horsepower.

Blast Furnace Bears,

Monkeys and Keepers
The man who runs the furnace is the "keeper," the "monkey" is the hole through which molten slag drains. "Bears" are cinders that sometimes form in the furnace.

CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 3.

The Golden Text was, "Righteousness keepeth him that is upright in his way: but wickedness overthroweth the sinner" (Proverbs 13:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Have I any pleasure at all that the wicked should die? saith the Lord God: and not that he should return from his ways, and live? Cast away from you all your transgressions, whereby ye have transgressed; and make you a new heart and a new spirit: for why will ye die, O house of Israel? For I have no pleasure in the death of him that dieth, saith the Lord God: wherefore turn yourselves, and live ye" (Ezekiel 18:23, 24, 32).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If you believe in and practice wrong knowingly, you can at once change your course and do right... The way to escape the misery of sin is to cease sinning. There is no other way" (pp. 253, 327).

Great Strength

The giant reptiles of ancient times depended on their great strength to overcome their prey, as do our larger reptiles of today, such as the crocodiles and large snakes.

Good Peaches

Thirty to 40 leaves are required on a peach tree to provide enough food to develop a good peach.

Baked Custards

Baked custards and vanilla junket are tasty with a sprinkling of grated nutmeg.

Round Table Speakers.....

(Continued from page 1)

Salle street. He is associated with the Chicago Round Table of Christians and Jews as creator and director of the seminary course on "The American Way" which has already been presented in several high schools throughout the city. Mr. Aries has taken part in hundreds of engagements for the Chicago Round Table and always makes a profound impression.

James M. Yard

Dr. Yard saw the birth of the Republic in China. He was one of the first faculty members of the West China Union University at Chengtu and one of the founders of the Woman's College. He lived in China's Far West for twelve years and in the great metropolitan city of Shanghai for three years. While in West China he translated several volumes of Chinese poetry and some of the translations have appeared in American magazines. While in Shanghai he was Editor of the China Christian Advocate, a member of the National Christian Council of China and Director of World Service for the Methodist church.

For five years Dr. Yard was Director of Religion at Northwestern University and a member of the Department of Political Science.

Since 1935 he has been Midwest Secretary of the National Conference of Christians and Jews. He contributes articles and book reviews to many educational and religious journals. He has traveled extensively in China, Japan, the Philippines and Europe.

His sense of humor lights up the serious subjects which he discusses. His deep convictions, born of experience, add power to his lectures on democracy and race. He is not a middle-of-the-roader. He thinks and makes his hearers think.

Dr. John A. Meade

Dr. Meade is a graduate of the University of Chicago. He has been on the faculty of Loyola University. Dr. Meade is at present Assistant Director of the State Department of Labor. He has taken part in innumerable programs for the National Conference of Christians and Jews and is a very valuable addition to any program. Dr. Meade is a man of real scholarship with a most liberal point of view.

Several Antioch High school students will sing patriotic songs.

They include "Land of Hope and Glory," by Eddie Ruschewski; "Roses of Picardy," Mary K. Lynn; "Rose of No Man's Land," Betty Shank; "There's a Long, Long Trail," Gilda Pierce, and "I Am an American," Florence Peterson. Hans von Holwede will be the accompanist.

Notice of Insurance Assessment
The directors of The Millburn Mutual Insurance Company have levied an assessment of \$3.00 (Three dollars) on each One Thousand dollars insured, to pay the losses from Oct. 15, 1939, to Oct. 15, 1940. Collections will start on or about Nov. 20, 1940.
